

BRIARWOOD is pleased to present a whole new level of post acute care to the communities of Norfolk, Middlesex and Suffolk Counties.

A leading rehabilitation provider within minutes of Beth Israel Deaconess Hospital-Needham and other area hospitals, we offer a specialized level of clinical programming under the direction of eminent local physicians.

ENHANCING your comfort  
INFUSING your spirit  
REHABILITATING you  
to your optimum health

Briarwood offers a variety of specialized rehabilitation care options as well as patient-centered long term care.

We invite you to call us or take a tour, and learn why our residents feel right at home!

CARDIO  
PULMONARY  
CARE

# COMFORT & SPECIALIZED EXPERTISE

## Comprehensive CARDIOPULMONARY CARE

Our physician led program, under the direction of both a cardiologist and pulmonologist, is focused on helping patients achieve the most active life possible despite any cardiopulmonary diagnoses and physical limitations.

We tailor our program for individuals with heart disease and pulmonary disease, with diagnoses such as: CHF, COPD, post heart and lung transplants, emphysema, acute myocardial infarctions and acute respiratory failure.

### Our **COMPREHENSIVE PROGRAM** Features:

- Cardiology & Pulmonary Consults On-Site
- Dedicated Cardiopulmonary Liaison
- Full-Time Respiratory Therapist On Call 24 Hours
- Multidisciplinary O2 Weaning Program With Overnight Oximetry Capabilities
- Tracheostomy Care & Management
- EKG's On-Site
- In-Wall High Flow Oxygen & Suctioning
- Non-Invasive Ventilation to Include CPAP, BiPAP & Trilogy
- Nebulizer Therapies
- Pacemaker Assessment & Monitoring
- IV Lasix & Solumedrol
- Laboratory & Radiology Services

### Case Management & Discharge Planning to include:

- Home Evaluation Prior to Discharge Home To Determine Post Discharge Care, Equipment & Services
- Coordination of Post Discharge Care, Equipment, Prescriptions & In-Home Services
- Comprehensive Cardiac & Pulmonary Education/Training for Patients & Caregivers
- Coordination of Post Discharge Appointment With PCP within 7 Business Days

**Our signature Rehabbing Care™ infuses every aspect of our environment.**

## SHORT-TERM REHAB Delivering Positive Outcomes

Our strong hospital partnerships ensure a smooth transition for those in need of post acute and surgical care. Under the guidance of our expert therapists, patients rapidly regain their mobility and achieve independence as they prepare for their return home.

- 40 Dedicated Subacute Beds
- Physical Therapy Available 7 Days a Week
- State-of-the-Art Therapy Gym
- In-Wall High Flow Oxygen

**OUR GOAL is to provide the medical expertise and personal support to help residents get well, be well and stay well.**
